Dear Reader,

As Chief Operations Officer of Samser Innovations Company, I am proud of being part of a working environment that revolves around innovation.

Throughout my quest I have the privilege of engaging with:

Colleagues that love doing what they do best...*“Using innovation to assist clients in reaching their goals”*

&

Clients who have a...*“passion and need for innovation”*

I am honored and would like to convey my gratitude to God first for placing me in such a position and to all my clients and colleagues who collectively define the word *INNOVATION*.

Thank you all!

Sincerely,
Sami Sabir M. Hassan
